UNGA

REF: STATE 188244

On November 17, Mawazo Kaducha, Head of UN Systems in the Multilateral Division of the Ministry of Foreign Affairs, agreed with the USG position that the Emergency Special Session draft resolution regarding Israeli was skewed. While Kaducha did not reveal whether Tanzania would vote "No" or abstain, Kaducha emphasized that the Ministry understood U.S. concerns and would forward the USG position to the Permanent Representative in New York immediately.
